- Danielle Tatlow has been hired as a ½ time temp EA for K/1.
- Mr. Comfort's Principal's position will hopefully be decided by early March. A superintendent position needs to be filled before they post any Principalship Positions.

3. School Upgrades: Looking at changing the science lab into a more useable space since it is not utilized a great deal as a science lab. Making it more of a soft landing room for students who need time or need extra help.

4. Monthly Report: Very busy month and a half at school. We have had many activities and student participation has been awesome.

5. Extra-curricular activities:

- a. Volleyball has concluded, with the boys finishing third in NESSAC and the girls winning the NESSAC championship for the 4th time in 6 years. The boys lost to Melfort and the girls beat Nipawin in the final two straight. Banners will be ordered for the girls and the curling teams that have won. A very successful season all around.
